

TEACHING AND BEHAVIOUR SUPPORT

SALARY RANGE: GRADE 5

PERMANENT CONTRACT

FROM JANUARY 2019

It takes commitment to change lives

Foundry College is a 'Good' Pupil Referral Unit in the heart of the community of Wokingham supporting the young people, schools and families in the area as well as opening our doors to surrounding authorities. Our dedicated staff offer a range of educational, emotional and behaviour support, with bespoke packages for our students aged 5 - 16. The successful candidate will join us at an exciting time as we expand our services and aspire towards 'Outstanding', following our recent successful Ofsted inspection (January 2018).

Due to an increase in pupil numbers at Foundry College generally, and in particular, the expansion of our provision onsite for pupils with medical and/or vulnerable circumstances that temporarily prevent attendance in school, we are looking to recruit a full time teaching and behaviour support specialist. The role will include supporting teachers with learning in all areas of the College, but it will also have a specific focus with the medical and vulnerable pupils.

The ideal candidate will:-

- Have a passion for building strong relationships with young people through restorative working
- Thrive in a challenging environment
- Be resilient and approachable
- Be a good communicator who is able to inspire and motivate pupils, but also remain calm under pressure and have a sense of humour
- Be creative and have initiative, striving to bring out the best in pupils

In return, we can offer you:-

- A bright, modern College with a creative approach to working with young people
- Excellent opportunities for professional development
- A friendly and supportive staff team, dedicated to improving pupil outcomes and life chances
- A Senior Leadership Team that encourages team work, innovation and the use of solution based thinking

The pupils, staff and Management Committee warmly invite you to visit us and see the 'Foundry Family' in action. We are sure you will experience our friendly, relaxed atmosphere and get a taste of how rewarding your work will be. Please contact Keith McConaghy on 0118 334 1510 to arrange a mutually convenient time.

To apply, please visit our website <http://www.foundry.wokingham.sch.uk/job-vacancies/> where you will find the job description and application form. Completed Application Forms should be emailed to recruitment@foundry.wokingham.sch.uk.

Closing date for applications is noon on Wednesday 5th December 2018, with applications considered on receipt.

Foundry College is fully committed to safeguarding and to promoting the welfare of children and young people.
